MONTEZUMA'S SMASH FUNDRAISING TARGET

Montezuma's run way past their £1,000 goal with their Charity Challenge Week

On every day from the 8th - 14th August Montezuma's Chocolate Company hosted range of activities to raise money and make a 'chocolate coated difference' for Chichester based charity, Children on the Edge. They aimed to raise £1,000 throughout the week to go towards the charity's Learning Centres for working children in Bangladesh. The amount actually raised by the end of the week was a stunning total of £1,837.93.

The week's activities included raffles, competitions, taster evenings, lucky dips and a fantastic sponsored cycle in Chichester to round off the week. The cyclists chose from three different routes depending on their abilities, taking in the scenery of the West Sussex countryside and stopping midway for a pub lunch at The Selsey Arms.

The total raised from the week is enough to pay a year's rent for all three of the Bangladesh Learning Centres. This will give 300 working children a safe place to go and learn, rest and play every day for a year.
