# THANK YOU

## FROM CHILDREN ON THE EDGE AND ALL THE REFUGEE CHILDREN WE SUPPORT

*Every brew, every bake and every bite can help a refugee child to live, learn, play and thrive.*

*Every £2 donated can help create a safe and supportive space for a refugee child for a week.*

Nyota's family fled violence in the Democratic Republic of Congo and now live in one of the hardest to reach areas of Kyaka II refugee settlement, Uganda. For years, there have been no schools or early learning provision here. Their village is so remote that even hospitals and clean water are difficult to access.

At six years old, Nyota hadn't had any learning opportunities, but when Children on the Edge set up a 'cluster learning group' in her village, this all changed. Instead of starting in baby class, she was registered in top class and teachers gave her special attention to help her catch up. Nyota learned so fast that, by the end of her third term, she sat her primary entrance exams and passed.

Nyota says, "My teacher inspires me to become a teacher...I am excited to join primary school next year!"

Pink and blue cupcakes

# OUR SIGNATURE BAKE

## INGREDIENTS

### For the cupcakes

- 110g butter or margarine (softened)  
110g caster sugar  
2 free-range eggs  
1 tsp vanilla extract  
110g self-raising flour

### For the buttercream icing

- 140g butter, softened  
280g icing sugar  
1-2 tbsp milk  
A few drops of food colouring (blue or pink)  
Decoration (topping of your choice)

## METHOD

Preheat the oven to 180C and line a 12-hole muffin tin with cupcake cases. Cream the butter and sugar together in a bowl then whisk in the eggs one at a time.

Add the vanilla extract, self raising flour and a pinch of salt, mix together and then spoon the mixture into the cake cases (until they are about half full).

Bake in the oven for 10-15 minutes until golden-brown on top and a skewer inserted into the middle of each cake comes out clean. Leave to cool on a wire rack.

For the buttercream icing, beat the butter in a large bowl until soft then slowly add the icing sugar and beat until smooth.

Add a few drops of the food colouring and mix until well combined, adding a few drops of milk if needed.

Spoon the icing into a piping bag with a star nozzle and pipe the icing using a spiralling motion onto the cupcakes in a large swirl.

Decorate as you like and ENJOY!

“We had a great time hosting a Cake Bake at a local market, it was a team effort from my whole family, serving bacon rolls, homemade cakes and refreshments. My son helped with the colouring competition - we raised £165 and we will be fundraising for Children on the Edge again.” - Joanna
