GET INVOLVED WITH CHARITY CHALLENGE WEEK!

29th September - 5th October

Children on the Edge work to restore the ingredients of a full childhood to forgotten children, living on the edge of their societies. Montezuma's have been supporting them to do this in many ways for many years and we'd love you to join us this week in bringing hope, life, colour and fun to some of the world's most vulnerable children.

If you would like more information, or want to donate, please visit our websites:

**Design a pumpkin for Montezuma's and win a chocolate pumpkin with your design on it!
The two winning entries will be presented their pumpkins at our Chichester store in October.**

**The competition is open to children between the ages of 4 and 12 years and will be
judged by a Montezuma's panel, whose decision is final.**

Completed A4 entries should be handed in to any Montezuma's store or their school office marked: 'Children on the Edge Pumpkin'.
All entries must be handed in by Sunday 5th October 2014. Please include a name and telephone number with each entry.
Entry forms with the pumpkin outline may be copied for additional entries.

**You can be as creative and colourful as you like, but Montezuma's do not use colourings
and therefore the designs will be interpreted in chocolate as accurately as possible!**
