How does it work? If you're a taxpayer, you can help us turn every £100 donated into £125. Imagine what a difference that could make, and it doesn't cost a thing. For every £1 you give, the charity gets an extra 25p from the Inland Revenue by reclaiming the basic rate of income tax you've already paid.

How do I know if I have paid enough tax? You must pay an amount of tax and/or capital gains tax at least equal to the tax that charities reclaims on all your donations in the tax year (currently 25p for each £1 you give). For example if you have made a donation of £10 you must have paid £2.50 in income tax or Capital Gains Tax in the same tax year. Or if you plan to give several donations or a regular monthly donation equivalent to £100 in one year, you must have paid £25 in tax across the same tax year.

What if I'm a higher rate tax payer? You can then claim further tax relief on the donation in your annual tax return. For example if you pay a higher rate of tax (40%) and you donate £100 to charity, the charity can claim Gift Aid to make your donation £125. You can then personally claim back £25 (£125 x 20%)

In order to Gift Aid your donation please tick one of the boxes below:

- I want to Gift Aid my donation of £_____ and any donations I make in the future or have made in the past 4 years to Children on the Edge.
- I want to Gift Aid a single donation of £_____ to Children on the Edge.

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax then the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.
